UCC Searching

- EntityKeeper's team helps understand the needs of each of our clients individually and communicates those needs with our network of agents.

UCC Filings

- EntityKeeper helps you ensure your UCC filings are both accurate and timely.

UCC Related Lien Searches (Tax Lien, Pending Suit, Judgment & Bankruptcy Searches)

- We'll help you navigate the nuances of each state and local jurisdiction to provide you with the information needed for your transaction.

Mortgage Recordings

- We're available to help search and file for mortgages and assignments of mortgage and deeds.

Federal Intellectual Property Searches

- When you need to verify the owner of a patent or trademark, we can help.
